

Hedgehog

2

This image shows a blank handwriting practice sheet. It features ten horizontal rows, each designed for practicing letter formation. Each row is defined by three horizontal lines: a solid top line, a dashed midline, and a solid bottom line. Vertical dotted lines divide each row into ten equal-width columns. The first column in each row is shaded light blue to provide a guide for letter width and placement. The entire sheet is white, and the lines are black, providing a clear and structured environment for handwriting practice.
